WORK EXPERIENCE

▪ 11.2017 – 09.2019 - Human Resources Specialist Admin & Payroll - SC Metro Cash & Carry Romania SRL

The position of human resources helped me to understand the employee more easily and to be closer to everyone's needs.

Technical skills: SAP HR program and Microsoft Office (Excel, PPT, Word).

- ✓ Human resources management (drafting CIMs, Termination Decisions, CIM Changes, etc.) and updating the database with the company's employees;
- ✓ Performing and participating in disciplinary investigations;
- ✓ Collection and centralization of all supporting information regarding the payroll (time attendance, medical and rest leaves, salary changes, premiums, bonuses, etc.);
- ✓ Elaboration of documents and reports specific to the activity of the human resources department;
- ✓ Closing for the month, checking the number of employees, checking the flyer, handing over meal vouchers.
- ✓ Organizing and participating in personnel selection processes;
- ✓ Integration of new employees;
- ✓ Coordination of the periodic employee evaluation process;

09.2008 – 11.2019 - Senior Accountant - SC Metro Cash & Carry Romania SRL

The technical skills I acquired in this position are SAP Accounting ERP and the Microsoft Office package. This position helped me to have an analytical way of thinking, to solve unexpected situations on time and to respect deadlines.

- ✓ Processing the store's daily sales information and registration in SAP account class 4, 5, 6, 7
- ✓ Processes documents related to sales and their transmission to the Financial and Accounting Department from the head office, according to internal procedures
- ✓ Preparation of Bordero with payment methods and hand over the receipt to the Bank Accounting Department
- ✓ Processes the Payment Orders entered and the CECs collected
- ✓ Registration in SAP of all accounting documents
- ✓ Closing of the month and archiving of accounting documents

06.2006 – 09.2008 - Junior Accountant - Sanex Com SRL

From this job I learned to be orderly, to respect my every activity and that the daily activity is dependent on a deadline
